**In the Matter of the Petition of Genwal
Resources, Inc. for Review of Division
Order DO10A, Crandall Canyon Mine**

**ADMINISTRATIVE SUMMONS FOR
JERRY CRIPPS TO APPEAR AS A
REBUTTAL WITNESS**

Docket No. 2010-026

Cause No. C/015/0032

FROM THE STATE OF UTAH TO THE ABOVE NAMED REBUTTAL WITNESS:

1. By motion of the Utah Division of Oil, Gas and Mining, a party to the aforementioned matter, the Utah Board of Oil, Gas and Mining ("Board") hereby summons you, Jerry Cripps, a Utah resident, to appear and, if called, give rebuttal testimony in an evidentiary hearing before the Utah Board of Oil, Gas, and Mining.

2. The hearing will be held on December 7, 2011 at 9:00 a.m. in the Auditorium of the Utah Department of Natural Resources Building located at 1594 West North Temple, Salt Lake City, Utah.

3. Pursuant to the Board's September 20, 2011 Minute Entry the purpose of this evidentiary hearing is to establish the operation costs and potential liability to the State of Utah to operate the current water treatment facility located at the Crandall Canyon Mine site.

4. The Division requests your appearance as a rebuttal witness on the issue of

form, functionality, and costs to operate the current treatment facility. The Division anticipates it may need to call you to testify to support its cost estimates and to give rebuttal testimony to the testimony of Genwal's proffered witnesses.

5. Pursuant to Utah Admin. Code R641-108-200 the Board "shall use as appropriate guides the Utah Rules of Evidence insofar as the same may be applicable and not inconsistent with these rules" but is not bound to strictly follow the Utah Rules of Evidence.

6. Pursuant to Utah Admin Code, R641-108-820, you are entitled to receive the same fees and mileage allowed by law to witnesses in a district court. The regular witness fee for one day of testimony is \$18 plus \$1.00 for every 4 miles you travel. Reimbursement for one day of testimony and mileage costs for 240 miles of travel are attached with this summons.

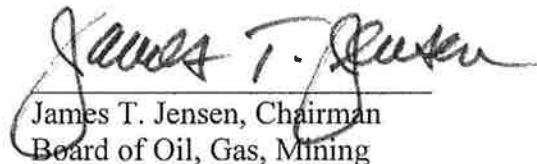

7. Under Utah Rule of Civil Procedure Rule 45(g) if you fail to attend this hearing you may be held in contempt of court.

8. While this is an administrative summons before the Board, as a courtesy a "Notice to Persons Served with a Subpoena" applicable to Utah District Court is attached to apprise you of your rights and responsibilities. Please reference this document.

9. If you object to this summons you must file, prior to the requested date of appearance, a single-sided administrative objection similar (but not necessarily identical) in form to the Utah District Court objection form attached. You may also reference Utah Rule of Civil Procedure Rule 45(e). The objection must be filed with:

Julie Ann Carter, Executive Secretary
Board of Oil, Gas, and Mining
PO Box 145801
Salt Lake City, UT 84114
